This program is self-paced. Does reading 1,000 books before kindergarten sound too hard? If you read just one book a night, you will have read 365 books in one year. That is 730 books in two years and 1,095 books in three years; you have more time than you think (so get started).

- Consider keeping track of the books that you read with your child in a spiral notebook or journal. The journal itself will make a great keepsake item for your precious child.
- Attendance at the story times is optional and not required to participate in the Baby Book Bees 1,000 books before Kindergarten program.

# How to Participate

Stop in to the Lenox Public Library and register your child for the Baby Book Bees program. Your child will receive his or her very own library card.

You will receive a Baby Book Bees canvas tote to keep your child's library books in.

You can pick up a list of recommended books. The librarian will keep a record of all the books you've checked out to read to your child. You can also pick up a log sheet to keep track on. There is an app available to keep track on your iPhone or android. *1,000 books before k*
